Light of Day is a powerful and illuminating novel about love, loss, and the unforeseeable darkness that lurks around the corners of everyday life. Respected professor Jack Owens brought his son, Danny, to Gilbert, Indiana, to escape a betrayal too painful to endure anywhere but in this quiet midwestern college town. After ten years, Jack believed they were safe. But on a seemingly ordinary day, the world Jack thought he knew and the future he anticipated abruptly come apart at the seams, leaving him haunted by the questions: Why? and What next? Redemption, however, could come with the arrival of an unexpected friend whose prescient understanding slowly helps Jack cope with the unacceptable. But with healing comes clarity--and secrets best left unrevealed by the stark, glaring light of day.
