

Autism: A Holistic Approach (3rd Revised edition)

Filesize: 6.19 MB

Reviews

The ebook is straightforward in study better to fully grasp. It is actually loaded with knowledge and wisdom I am just delighted to tell you that here is the best pdf i have read through during my very own lifestyle and may be he greatest ebook for at any time.

(Dr. Karelle Glover)

AUTISM: A HOLISTIC APPROACH (3RD REVISED EDITION)

Floris Books. Paperback. Book Condition: new. BRAND NEW, Autism: A Holistic Approach (3rd Revised edition), Marga Hogenboom, Bob Woodward, Educating and caring for a child with autism is a severely difficult task, too often associated with frustration and disappointment. As a result, the inner development of these children is at times considered to be beyond the reach of parents and carers. This book challenges that assumption, exploring case studies where therapy based on a holistic approach has resulted in marked improvements in the children's behaviour and social integration. With an extended holistic programme, autistic children discover inner self-awareness and self-recognition, leading to first steps in relationships and social skills. The authors describe in detail their own practical experiences, as well as the findings of other experts in the field. This new third edition covers recent developments in diagnostic methods and approaches to treatment, including new case studies and a new chapter looking at the sensory aspect of autism and Sensory Integration Therapy. Well-researched and movingly written, this book has an essential, positive message for all those involved in the care and education of children with autism.
