UNIVERSITY-INDUSTRY LINKAGE IN NIGERIA

Book Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Recent scholarship underscores the importance of industry-universities collaboration as an important organizational form for knowledge creation within the national system of innovation (NSI), especially in stimulating new technologies. There are two broad assumptions underlying the establishment and management of universities. The first one is that universities are set up to perform certain well defined functions such as teaching, research and knowledge production and could remain outside the broad national, cultural and...
