Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

DETAINED AND DEPORTED: STORIES OF IMMIGRANT FAMILIES UNDER FIRE (HARDBACK)

Beacon Press, United States, 2015. Hardback. Book Condition: New. 218 x 144 mm. Language: English . Brand New Book. An intimate look at the people ensnared by the US detention and deportation system, the largest in the world On a bright Phoenix morning, Elena Santiago opened her door to find her house surrounded by a platoon of federal immigration agents. Her children screamed as the officers handcuffed her and drove her away. Within hours, she was deported to the rough border town of Nogales, Sonora, with nothing but the clothes on her back. Her two-year-old daughter and fifteen-year-old son, both American citizens, were taken by the state of Arizona and consigned to foster care. Their mother's only offense: living undocumented in the United States. Immigrants like Elena, who've lived in the United States for years, are being detained and deported at unprecedented rates. Thousands languish in detention centers often torn from their families for months or even years. Deportees are returned to violent Central American nations or unceremoniously dropped off in dangerous Mexican border towns. Despite the dangers of the desert crossing, many immigrants will slip across the border again, stopping at nothing to get home to their children. Drawing on years of reporting in the Arizona-Mexico borderlands, journalist Margaret Regan tells their poignant stories. Inside the massive Eloy Detention Center, a for-profit private prison in Arizona, she meets detainee Yolanda Fontes, a mother separated from her three small children. In a Nogales soup kitchen, deportee Gustavo Sanchez, a young father who'd lived in Phoenix since the age of eight, agonizes about the risks of the journey back. Regan demonstrates how increasingly draconian detention and deportation policies have broadened police powers, while enriching a private prison industry whose profits are derived from human suffering. She also documents the...
