Wild Goose Publications. Paperback. Book Condition: new. BRAND NEW, The Still Small Voice: A Book for Busy People, Neil Paynter, Life just seems to be getting busier and busier. And even when we're not doing, our minds are eternally busy - life seems so full of distractions, different messages: babble - So: a book of short daily readings for the whole year, to help folk still themselves. Short readings because sometimes it feels like there are enough words in the world! The world is so crowded with words it makes it difficult to focus on the Word. The Still Small Voice is a book for those who feel themselves travelling at an increasingly frantic pace each day, and are hungry for snatches of nourishment to feed their souls - energy and inspiration and wonder to help keep them on the Way. Jesus lived a balanced life of reflection and action, of times rooted in prayer and contemplation and of times engaged in the tangled messy thick of it. This is a book to help with that balance. God, help us to hear your voice through the babble of this busy world where words are used to confuse, distract, manipulate, sell illusion, buy power; help us to be still and receptive to your healing, encouraging, inspiring, enduring, life-giving Word.
