

Walking in the North Wessex Downs

Filesize: 3.34 MB

Reviews

Very useful to all category of men and women. I actually have study and i also am certain that i am going to going to read through again once more down the road. Its been written in an exceptionally simple way and is particularly only soon after i finished reading this publication by which basically altered me, modify the way in my opinion.

Cicerone Press. Paperback. Book Condition: new. BRAND NEW, Walking in the North Wessex Downs, Steve Davison, This guidebook to 30 walks in the North Wessex Downs Area of Outstanding Natural Beauty (AONB) explore walking routes between 7 and 20km in length, through Berkshire, Hampshire, Wiltshire and Oxfordshire, and are suitable for walkers of all abilities. Alongside detailed route descriptions and OS maps, are plenty of details on points of interest, as well as practical information on the area from public transport links, to ideal refreshment stops on each walk. The result is an ideal companion to exploring both the popular and untouched corners of the North Wessex Downs. The name 'Wessex' brings to mind Alfred the Great, Saxon hordes and chalk downs sculpted into ancient forts. And while that is all true, the North Wessex Downs are also accessible hills that rise above the towns and rural plains of southern England and roll gently west from Reading and Basingstoke to Swindon and down past Marlborough to Andover. From white horses carved into chalk hillsides, to Avebury hill fort, neolithic barrows, ancient villages tucked next to babbling rivers in the shadow of the Downs and long panoramic views from county high-points, the North Wessex Downs offer walkers days of exploration in the south of England.
