Brand New Book ***** Print on Demand *****.DICTIONARY OF SCALES AND MODES FOR ELETRIC AND ACOUSTIC GUITAR IN DIAGRAMS To start with, this dictionary of learning in diagrams, which the goal is to provide a practical routine, concomitantly offer an organized information to be learned and related to the experiences that each student has already knows. Diagrams are easy-to-understand the fingering pattern in the application of the scales and chords together with their respective triads and tetrads. Altogether, i want to show you that the church modes should be used in a clear way an how they are important to improvisation and composition. Likewise, it is important to understand the order of modes as if they were a alphabet because each mode has got a different sound. In the meantime, each chord is related with the first step of a major scale and every scale is a different fingering of it, they just start on different positions in the fretboard. Also, beyond the technique, picking we will see the non melodic exercises functioning as warm-up together with other scales. For instance, pentatonic...
