# MAGNETIC TECHNIQUES FOR THE TREATMENT OF MATERIALS

Book Condition: New. Publisher/Verlag: Springer Netherlands | In the years following the publication of Magnetic Methods for the Treatment of Minerals by Elsevier in 1987, many changes have taken place in magnetic technology. While fundamental and thorough, the above treatise reflected preferences and philosophy of research and the development and application of magnetic methods as they were practiced in the second half of the last century. Although demand for metals and minerals has not diminished, the d- inant...
