

The Joy of Text: Mating, Dating and Techno-relating (Paperback)

By Kristina Grish

SIMON SCHUSTER, United States, 2007. Paperback. Book Condition: New. 203 x 135 mm. Language: English . Brand New Book. Dating has never been simple, but in an age of IMs, text messages, e-mails, and BlackBerry notes, it can be a minefield. In *The Joy of Text*, Kristina Grish, a self-confessed cyber Cyrano, provides strategic lessons on using technology as a modern dating tool to find, woo, and win the right guy-and weed out the wrong ones. How can you accurately judge a guy's potential when all you have to go on is his punctuation and-if you're lucky-a grainy, pixelated photo? Grish shows readers how to analyze text, timing, and tone in order to dissect the subtle nuances of online communication. She provides an overview of the online meat market, from general dating sites such as to niche routes based on religion or common interests, and gives advice on how to post a sexy yet realistic profile, choose the right picture, and declare your intentions, whether you're looking for a booty call or a serious commitment. *The Joy of Text* features tips on techno-flirting and hints on developing the relationship in the real world once you've established online compatibility....
