Createspace, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Tomatoes are one of the tastiest and most versatile vegetables (or fruit, depending on who you re asking) that you can purchase. They can be sliced for sandwiches, diced up for salad, cooked into a paste, used as the base for soups; the possibilities for tomato usage are almost limitless. They re perfect as a side or snack, as an ingredient in tomato recipes, or just as an addition for a little extra flavor. Best of all, tomatoes are actually one of the easiest crops for anyone, no matter how green their thumb is, to grow. Unfortunately, despite their ease, many people are unaware of how to start growing tomatoes in their home garden. There s a variety of tomatoes, which one should you purchase? How should you plant it? If you re planning on using containers what types or sizes should you use? **Planting Tomatoes (Tips Before You Begin)** is the perfect companion book for when you decide to embark on your own question of cultivating your very own tomatoes. Using a variety of tips and FAQs, this book will allow you to overcome the first hurdles that are stopping you from planting your tomato gardening, and put you on the road to your very first tomato harvest!.
