There are many single women who earn a lot of money. Are you one of them? Women today make better financial decisions. However, most of these women still feel inadequate to navigate their financial life successfully! Are you one of them? Women often have careers that do not offer a lot of earning potential like administrative work and teaching. They have no confidence about the math of money management. They also prefer investing in relationships rather than investing in financial security! Here Is What We Cover. Advantages and Disadvantages of Being a Single Woman Saving Tips for a Single Woman Budget Tips for the Single Woman Retirement Tips for the Single WomanExcellent Finance Tips for Women Much, much more! Single Women Cars Women still experience gender discrimination when it comes to buying cars, which is surprising considering the fact that women buy about 60 of all brand new cars and about 53 of all used cars according to research! This shows that they buy more cars than men, but most car salesmen treat them badly when they go to car dealerships. It s not that they do not assist women buyers...
