

The Chinese, and the Chinese Question (Classic Reprint) (Paperback)

By James Amaziah Whitney

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Chinese, and the Chinese Question The pages following are devoted to a subject second to none in political importance; one upon the determination of which the ultimate destiny of our country and of our people must depend. The events of the eight years that have elapsed since the publication of the first edition have but confirmed the views expressed in the latter, and have afforded additional proof in abundance of the soundness of the conclusions set forth therein. Although, for convenience, it has been preferred to divide the volume into chapters, the work as a whole, relating to the Chinese question in its broad and varied phases, is composed of substantially four parts, each framed in the double aspect of illustrating in detail the branch to which it especially relates and the essential connection of that branch with the subject at large: thus, from page 1 to page 72 relates to the Chinese, their work, institutions, and character as a people, and their place and influence in former times among the nations and...

Reviews

These types of publication is the best book available. it absolutely was writtern very completely and helpful. I am very happy to explain how here is the greatest book we have study within my individual existence and can be he greatest publication for possibly.

-- **Lucas Brown**

A brand new e book with an all new point of view. I have got read and i am sure that i am going to likely to read through once more once more in the future. It is extremely difficult to leave it before concluding, once you begin to read the book.
