Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In a very general sense, Savageries of the Academy Abroad attempts to lay bare the moral insufficiencies of university bureaucracies abroad, which I have come to know personally and then fled in horror. What I ve written in this instance can only be called irresponsible and disobedient, but, in my defense, a necessary evil given the bureaucratization of the academy and its innumerable little Eichmanns. Such grievous doubt and skepticism, as Hannah Arendt points out, are variations of nonviolent action and resistance under dictatorship. Given the appalling state of higher education at the moment--universities back home not much better--there is no longer a place for pragmatism and, least of all, prudence. My own undeniable fear and loathing of authorities (great and small, western and non-western) goes well beyond the usual lamentation round the office water cooler, but rages against the inhumanity of it all, so that, indeed, all might hear--most especially the powers that be. People matter less and less, institutions matter more and more. (There was more simple humanity at the German furniture factory where I worked before I entered university, supposing I might fare better among an allegedly better sort.) And so, it is high time that I write something in a revolutionary vein in order to look myself in the mirror. To remain silent any longer would be tantamount to the same intellectual and moral spinelessness that has given us this deeply troubling state of affairs, teachers and students alike the conscious and/or unconscious victims of what is fast becoming, if not already, a gargantuan intellectual fraud. Had I known that the academy abroad was so troubled and, indeed, tantamount to a vow of poverty...
