

## Children's Socio-Economic Rights, Democracy and the Courts

Filesize: 6.51 MB

### **Reviews**

*A top quality ebook and the typeface used was interesting to read through. It is rally intriguing throgh reading through period. You wont feel monotony at anytime of the time (that's what catalogues are for relating to when you ask me).*

*(Estelle Donnelly)*

## CHILDREN'S SOCIO-ECONOMIC RIGHTS, DEMOCRACY AND THE COURTS

DOWNLOAD

Bloomsbury Publishing PLC. Hardback. Book Condition: new. BRAND NEW, Children's Socio-Economic Rights, Democracy and the Courts, Aoife Nolan, This book is concerned with children's economic and social rights (sometimes referred to simply as children's social rights). Despite increased academic interest in both children's rights and socio-economic rights over the last two decades, children's social and economic rights remain a comparatively neglected area. This is particularly true with regard to the role of the courts in the enforcement of such social rights. Aoife Nolan's book remedies this omission, focussing on the circumstances in which the courts can and should give effect to the social and economic rights of children. The arguments put forward are located within the context of, and develop, long-standing debates in constitutional law, democratic theory and human rights. The claims made by the author are supported and illustrated by concrete examples of judicial enforcement of children's social and economic rights from a variety of jurisdictions. The work is thus rooted in both theory and practice. The author brings together and addresses a wide range of issues that have never previously been considered together in book form. These include children's socio-economic rights; children as citizens and their position in relation to democratic decision-making processes; the implications of children and their rights for democratic and constitutional theory; the role of the courts in ensuring the enforcement of children's rights; and the debates surrounding the litigation and adjudication of social and economic rights. This book thus represents a major original contribution to the existing scholarship in a range of areas including human (and specifically social) rights, legal and political theory and constitutional law. 'Children's rights were often thought to be synonymous with economic and social welfare prior to the adoption of the Convention on the Rights of the Child in 1989....
