Analysis in the Utility of Commercial Wargaming Simulation Software for Army Organizational Leadership Development

By Kerry J. MacIntyre

Biblioscholar Sep 2012, 2012. Taschenbuch. Book Condition: Neu. 246x189x4 mm. This item is printed on demand - Print on Demand Neuware - As a result of the growing capabilities of computers, the Army has used wargaming increasingly for training and education activities, force planning, doctrine development, acquisition and cost analysis, operational test and evaluation, and campaign development. The intent of this monograph was to determine if commercial wargame simulations could be used to develop the organizational leadership abilities of Army officers. The initial step in this process selected commercial wargame simulations to evaluate for their ability to develop organizational leaders. Chapter two of this monograph discusses the history of simulations, the simulation selection process, and provides an overview of the simulations selected. This monograph then evaluated each simulation's ability to develop the four organizational leadership skills (interpersonal, conceptual, technical, and tactical) and to perform the three organizational leadership actions (influencing, operating, and improving) described and required by Army doctrine. The final chapter of this monograph concluded with a recommendation to use commercial simulations for developing organizational leadership skills, and suggested some commercial wargame simulations for future evaluation and possible integration into leadership training plans. This study suggests, from the

Reviews

Great electronic book and valuable one. It really is simplistic but surprises within the fifty percent from the book. Its been printed in an extremely simple way in fact it is merely right after i finished reading this publication by which in fact modified me, change the way i really believe.
