THE TERMINALS

To read **The Terminals** eBook, remember to access the button below and download the document or gain access to additional information which are in conjunction with THE TERMINALS ebook.

Thomas Dunne Books. Hardback. Book Condition: new. BRAND NEW, The Terminals, Royce Scott Buckingham, When 19 year-old Cam Cody is diagnosed with a terminal illness, he expects to spend the rest of his shortened life in an adjustable bed. Then one night, a mysterious man offers Cam one chance to join a covert unit of young "terminals." They are like him, only they spend the last year of their lives executing exciting and dangerous missions to make the world a better place. With nothing to lose, Cam is in. A helicopter flies Cam to a secret tropical location, where he's tossed out with a parachute and an instruction manual. After a rough landing, he meets his nine teammates. The other terminals don't seem sick; Zara is beautiful, Donnie is an amazing athlete, and Calliope sings like a bird. He soon learns that they're enhanced with an experimental super steroid TS-8, which suppresses their illnesses' symptoms and heightens their physical and mental abilities. It's also fatal if taken for more than a year. Cam joins this extreme spy team, and they begin pulling dangerous operations in multiple countries. As his teammates fall around him, he starts to receive cryptic messages from a haggard survivor of last year's class hiding in the forest. She reveals that the program isn't what it seems, leading Cam to question whether any of them are really sick at all.
