PEKING DUST (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.When I came away last August, you said you wanted me to tell you about our travels, particularly about China. Like most Americans, you have a lurking sentimental feeling about China, a latent sympathy and interest based on colossal ignorance. Very well, I will write you as fully as I can. Two months ago my ignorance was fully as overwhelming as yours, but it is being rapidly dispelled. So I ll try to do the same for you, as you said I might. Rash of you, I call it. I ll take it that you have just about heard that China is on the map, and occupies a big portion of it. You know that she has a ruler of some kind in place of the old empress dowager who died a few years ago. Come to think of it, the ruler is a president, and China is a republic. Vaguely you may remember that she became a republic about five years ago, after a revolution. Also, in the same vague way, you may have heard that the country is old and rich and peaceful, with about four hundred million inhabitants; and beyond that you do not go. Sufficient. I ll go no further, either.
