Principles of Natural Philosophy (Classic Reprint) (Paperback)

By F J B Cordeiro

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Principles of Natural Philosophy Natural philosophy is the study of nature, or the universe. Experience shows that all effects are preceded by causes, and under identical circumstances all changes are always effected in the same manner. Nature is in a continual state of flux, this flux consisting of a ceaseless interchange of energy between its various parts, but its action is always uniform and unique. It is this invariableness and uniformity which renders possible a philosophy of nature. The investigation of the manner or laws under which changes take place is comprised under such names as Physics, Dynamics, Mechanics, or Natural Philosophy, but since in this book we shall not confine ourselves merely to the investigation of such processes, but shall consider ourselves free to speculate upon them, insofar as that is possible, the latter term is preferable. It was used by Newton in this sense. The ultimate, or primordial causes of nature must ever remain unknown to us, since the infinite cannot be grasped by finite minds, but a certain proximate region has been...
