JENNY

DiddyFox Publishing. Paperback. Book Condition: new. BRAND NEW, Jenny, Calvin Innes, Calvin Innes, Jenny is the tale of an eight year old girl who has a secret.she is not an average eight year old. In fact, Jenny is a Werewolf hunting eight year old.While staring out of the window one night, Little Jenny got the most awful fright, she was sure that she saw, from the corner of her eye, a great big hairy, scary guy. With claws and fangs, and eyes that glowed red, 'It could be a vampire, or maybe one of the un-dead?' The Tiny Twisted Tales are a collection of short stories and poems from the rather strange mind of UK author and illustrator, Calvin Innes. Each Tiny Twisted Tale is a wonderfully macabre story about weird, scary, wonderfully gruesome characters, from people who eat bugs, to tiny toga-wearing goblins. Each book is packed with dozens of Calvin's quirky illustrations. A funny, dark and exciting rhyming story about a little eight year old girl who just happens to be the worlds greatest Werewolf hunter. When Jenny spots a fearsome, snarling, seven foot tall beast out of her window she know she must go to work once again, fighting off the creature. The book shows children that even the smallest of people can be brave and strong and that not everything is always as scary as it first may seem. The book is filled with humorous and scary illustrations, lots of glowing eyes and snarling creatures and has as many laugh out loud moments as it 'hide beneath the covers' moments.
