Union, and Revised by the Committee if Publication* When this work was commenced, its chief design was, through the medium of the *Sunday School Journal*, published by the Amer. S. S. Union, to present, once in each week, to those Teachers who were in the habit of using the Union Questions, some explanations and reflections which would facilitate their business of Teaching. In order to make the work as complete as the nature of the case would admit, it has been carefully revised by the author, large additions made, and such amendments as in his estimation would render it still more acceptable and useful.
