AUTHORHOUSE, United States, 2011. Paperback. Book Condition: New. 228 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.13 Chilling Tales is a book of original short stories. Most all of these tales were based on concepts that might possibly be expanded to novels. Since the paranormal has many layers of interest, this book samples a variety. We have a vampire, ghosts, a werewolf, the walking dead, a gypsy, a Ouija board, time travel, Bigfoot, and even Death himself. The endings will sneak up on you and are meant to shock or surprise. Many of the characters involved might resemble people you know. It is the author's intent to take you on a brief journey to visit things that we may never understand. In some cases these places may seem familiar and the settings realistic which, makes it all the more frightening. Many of these stories begin in the world of collectables, where naive individuals purchase items from people they don't really know. They could be people who may have hidden motivations lying below the surface. Then again, it might be the item itself. Who was the former owner? Were they good, or evil, and still clinging to this item from the beyond? All too often a person buys an antique or collectable, and gets much more than they expected but when their realization takes place, it is far too late! As a bonus there is a 14th story. The author dispels a true urban legend and ghost story. Incredibly it is an urban legend that was created unintentionally by author himself. An urban legend which he learned about 30 years later! You will read 13 Chilling tales and experience a spectrum of entertainment. Afterward, you may never view a flea market, antique fair, garage...
