Delegate or Suffocate: A Practical Handbook for Nurse Managers as They Survive and Thrive on the Road of Management (Paperback)

By Peg Tobin

Createspace, United States, 2012. Paperback. Book Condition: New. Darrell Donalds (illustrator). 214 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Delegate or Suffocate explores the joys, questions, challenges and adventures of management. Even though there are many technical examples included in this book on how to approach personnel leadership issues; there are also many humorous, practical and personal examples of life that are applicable to any style of management and situation a leader may encounter. This author tells you from personal experience that leaders make or break an organization and without good leadership chaos reigns. Leadership is leadership and great leaders never stop learning and they do not close their ears to other leaders just because they are not in their field of business. This book is different in the fact that the author teaches from the perspective of a registered nurse and in the style of a mentor. Since most nursing schools do not teach personnel administration, this author had to learn leadership through the school of hard knocks . She speaks in a practical and understandable language making this book an easy read. Her goal is to encourage current leaders and new leaders...
