Perfection Learning, 1997. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "This is definitely not your run-of-the-mill Halloween picture book, even though Gritch the Witch certainly looks her part (though a bit more trendy), with a pointy hat, a gap-toothed grin, vicious green fingernails, and two beauteous moles on her face. She acts her part, too, swaggering, greedy, and just plain impatient, as she brooms off to Old MacDonald's Farm in search of eight plump porkers for her favorite pie. But Palatini deftly turns the tables on Gritch, whose own sense of importance (and the skywritten warning "Surrender Piggies!") gives her victims time to implement a plan to save their bacon. When hungry Gritch arrives at the farm, she can't find a single pig. Instead, she finds a wolf, whom she slyly invites home: "I always enjoy having a wolf for lunch." The wry, peppery dialogue is simply great ("Look, Shorty, I've been quack-quacked here, moo-mooed there, and clucked-clucked everywhere all over this farm"), and Palatini's allusions to popular children's stories from The Wizard of Oz to the "Three Little Pigs" will delight kids. So will Fine's bold, expressive artwork, which gives wicked Gritch a comic audacity that makes her trouncing all the better. A sardonically humorous, rip-roaring yarn that can be enjoyed all year round. "
