

## Telling the truth

By Leo Panitch

Vsa Verlag Okt 2005, 2005. Taschenbuch. Book Condition: Neu. Neuware - Has neo-liberal globalisation introduced a new era of state duplicity, corporate manipulation of truth and intellectual conformity Are we entering a new age of unreason The Socialist Register 2006 examines contemporary public debate and policy-making, scientific and social scientific research, statistics, the media, the business 'community', the World Bank, humanitarian 'aid', the role of the theatre. What standards of intellectual integrity exist today After postmodernism, is it still possible for truth to prevail over half-truths and lies A generalized pathology of chronic mendacity seems to be a structural condition of global capitalism at the beginning of the 21st century. The lies told in Washington and London about the invasion of Iraq are only a conspicuous case of the general problems of legitimacy generated by neoliberalism and empire. Honesty and plain speaking by politicians have become exceptional, and the journalistic profession is shamefully complicit. The empty language and sales-pitch mentality of corporate culture increasingly pervade all areas of life. Hardly less important is the growing subordination of scientific research to commercial ends, and the deliberate abdication of a significant segment of the academic intelligentsia from the vocation of telling the truth....
