Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

IF THERE WERE ANY VICTIMS.

Reality Writing LLC. Paperback. Book Condition: New. Paperback. 346 pages. Dimensions: 8.9in. x 6.0in. x 0.9in. Maricopa County Sheriff Joe Arpaio had provided police service to the city of El Mirage, Arizona for approximately 2 years during 2005 to 2007. The self-proclaimed Americas Toughest Sheriff received approximately 2.5 million from El Mirage in exchange for police protection for its residents. Then in late 2007 the city decided to re-organize its own police force. The contract with Sheriff Arpaio's office was terminated and a new El Mirage Police Department was formed. Shortly thereafter, the investigative staff of the new El Mirage began examining the police reports written by the Maricopa County Sheriffs Office during the time when they were in El Mirage. What they uncovered during their audit was unconscionable. Dozens of cases involving homicides, robberies, and sex crimes had been mishandled, neglected or simply ignored by the Maricopa County Sheriffs Office. Most of the sex crimes involved small children. Some of the homicide cases had strong evidence and looked to be solvable but were just never completed. The author provides an inside look at the resulting scandal that rocked the Maricopa County Sheriffs Office. An in-depth review of the crimes that were mishandled, what the victims endured and how the offenders were never brought to justice are all described in detail. The book includes police reports from 31 actual child sex-crime cases that were mishandled, neglected or never completed by the Special Victims Unit of the Maricopa County Sheriffs Office. Each case includes a complete, real-life account of the crime as described by the victimized child or their parents. The specific details about the crimes are based on the actual police reports that were written by the first-responder police officers, deputies, detectives and supervisors. The information in the police reports...
