Brand New Book ***** Print on Demand *****.Score the Ball, Volume 1, The Fringe Situation is a great new book that builds on an exciting and solid scoring concept called Situational Golf. It is all about scoring the ball, getting the ball into the hole in the fewest number of strokes. This system teaches golfers to recognize, evaluate, and determine the highest percentage shot for a particular situation, and then executing that shot with a high level of success. The situation always dictates the shot. You will find that this concept is strong, consistent, and efficient. No tour professional has any physical or athletic advantage when hitting these shots. So anyone can learn to handle this situation very, very well with the right techniques. Another key element is that consistency leads to confidence which leads to aggressive play and to better scoring. This book shows you how to infuse complete consistency in your short game, which has many more facets than just practicing until your back aches. It incorporates proper mechanics, productive practice...
