Reviews

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Everett Stanton)

Quercus Books, United States, 2015. Paperback. Book Condition: New. Reprint. 452 x 137 mm. Language: English . Brand New Book. Number one New York Times best-selling author Richard North Patterson, author of more than twenty novels, including *Degree of Guilt* and *Silent Witness*, returns with the dramatic conclusion to the Blaine trilogy: *Eden in Winter*, the final volume that completes the story begun in *Fall from Grace* and *Loss of Innocence*. Two months after the suspicious and much-publicized death of his father on the island of Martha's Vineyard, it is taking all of Adam Blaine's will to suture the deep wounds the tragedy has inflicted upon his family and himself. As the court inquest into Benjamin Blaine's death casts suspicions on those closest to him, Adam struggles to protect them from those who still suspect that his father was murdered by one of his kin. But the sternest test of all is Adam's proximity to Carla Pacelli--his late father's mistress; and a woman who, despite being pivotal to his family's plight, Adam finds himself increasingly drawn to. The closer he gets to this beautiful, mysterious woman, the further Adam feels from his troubles. Yet the closer he also comes to revealing the secrets he's strived to conceal, and condemning the people he's so hard fought to protect. An acknowledged master of the courtroom thriller, Patterson's Blaine trilogy, a bold and surprising departure from his past novels, is a complex family drama pulsing with the tumult of the time and dripping with summer diversions, youthful passion and ideals, class tensions, and familial disruptions. (*Library Journal*).
